Dear Norfolk Little People's Daycare families,

On Tuesday, April 30, 2019, the Board of Directors had our Annual General Meeting (AGM). AGMs are held to encapsulate the events of the past year. As you are aware in the past year there have been many changes at Norfolk Little People's Daycare Inc.

In the past year, Norfolk Little People's Daycare has undergone both an outdoor transformation as well as a beautiful renovation inside. Our indoor renovation has allowed us to develop a junior and senior preschool room so that learning can be better tailored to the age of the children, as well as allow us to create more spaces for childcare. We are immensely pleased with the results and would like to thank the staff for their tremendous hard work throughout both transformations, as well as the patience parents have demonstrated. We know that throughout both there were inconveniences and we appreciated your understanding.

The Board is also enthused by other developments of the centre over the last year. There has been an increase in consistency in terms of policies and procedures as well as communication between the centre and families. The launch of our website gives families a platform to access the calendar, menu, as well as other important information and allows families in search of care a chance to see the fantastic care that is offered.

We would like to announce some changes to the Board of Directors. Carly Vermeulen resigned after 4 years of being a loyal member of the board. Carly served as director, secretary and most recently, the Board's president. Her dedication to the daycare over the years is truly valued and we thank her for all that she has done. We are very excited to welcome Leisha Erdelac to the role of president; we know that her commitment to the centre will be evident in her new role. Julie Vandepoele is remaining as the treasurer, and Myranda Eechaute is remaining as Secretary. Elysa Auther, Jessica Brown, and Tanya Cail remain as Directors of the Board, and we welcome Kyle Declair as a new director to the board.

We look forward to the next year and the potential that Norfolk Little People's Daycare can achieve. As always, parents are invited to come to our monthly board meetings with any issues, concerns or comments. Or if you would like to reach a board member before a meeting, you can ask Lisa for our contact information.

Thank you for your understanding and continued support,

Sincerely,
The Board of Directors
